

The Calling

Volume 1, Issue 1

September, 2005

God calling....

• Evangelist, Marilyn R. Beverley

Responding to God's whisper will give your life a sense of focus and meaning that material success or the world's applause can't begin to match. God is calling. Is your line busy?

Follow Me—God calls you and says, Look. This is a need. You see the need, you know you can fill the need—and deep in your heart you know your life will never be the same.

I have begun a journey to listen to His voice, observe what he is doing, and join Him by using my God-given gifts to further His kingdom wherever He calls me to go. When Jesus called His first disciples he was calling

them to much more than a career. The cross always means "not my will but thine be done". It means submission to our Lord's leadership of our lives, and that always means dying to self-control. Following Jesus means denying ourselves, taking up our cross, giving up efforts to save our lives (that is giving up our strategies to get our needs met).

God has a plan for my life that will maximize the use of my gifts for His kingdom.

God reveals His call on my life after I confess all sin in my heart, verbalize my openness to His plan for my life, and make my life available for His di-

rection. God's call on my life will be confirmed through His Word and through His Spirit.

God's call always involves a cost—being willing to die to my own plans and selfish desires. My priorities are no longer my own but His.

Jesus said, "Follow Me" - don't try to run ahead, or take over His job, but listen to Him, and He gives you direction in the steps you take each day.

Tune out the Competition—Listen to God's whisper saying to you—Your life has a purpose and I have a plan. As you follow Him toward that vision of what you were created to become...you continued on page 4

Crusades held in Kasoa, and Korle Gonno, Ghana, West Africa—TO GOD BE THE GLORY!

Positive Christian Church with Rev Martin Appah hosted a three day crusade in Korle Gonno—Evangelist, Marilyn R. Beverley shared messages that God had laid upon her heart for the country of Africa. "For

Such A Time As This", "The Seven I Will's of Jesus Christ", Thou and "Thy Family come into the Ark", "The Mind of Christ"; Also, under the direction of Rev Appah a crusade was held in Kasoa with three other

churches, nightly the gospel was preached, many souls were saved and many recommitted their lives to Jesus Christ. TO GOD BE THE GLORY FOR THE GREAT THINGS HE HAS DONE!

A Virtuous Woman...Christy Adu-Kyeremeh

A Virtuous Woman... in this world today there are few people who give of themselves without thought to make the lives of others better. Christy Adu-Kyeremeh is one of those people. On a recent working trip to Ghana, West Africa I had the joy of meeting this amazing lady. She is a woman of grace with a heart full of love and compassion for children...the children of Sunyani, Ghana, West Africa.

As a child Christy's life was not an easy one...as a matter of fact many of us would have a hard time imagining what it was really like for her growing up. Christy grew up in a country that is plagued by hunger, poverty and children with no homes. When she was very young Christy's father passed away making the challenges of life even greater. One of those challenges was receiving an education. Even today many villages of Africa have no schools. There is no money for paper, pencils, or books much less a teacher or a building.

Christy had such a desire within her heart to go to school. Her beloved sister worked very hard to make that a reality for Christy. As Christy attended school and the dream of an education became a reality, God put a dream within her heart for the future, a dream that all of the children in Sunyani,

Ghana and Africa would be able to receive an education. Not just an education from books, but an education that included knowledge and growth mentally, spiritually and physically, a well-rounded education for the whole being of each child.

As Christy grew up she met the man who was to become her husband, Reverend Adu-Kyeremeh. God had also placed a dream within his heart to minister to the lives of the people of Ghana, West Africa. Christy has worked diligently beside her husband as his co-laborer in the Lord for the souls of the people of Ghana. She has served and is currently serving as the President of the Women's Organization for Temple of Praise. She is the mother of four children, but has adopted many children into her home because of her great love for the children and the dream that God had placed in her heart to make a better life for the children of Ghana. After her days work is done she bakes bread, cakes and rolls to help bring income into her home. As she and Rev. Adu began their lives together, Christy shared her dream of a school for the children of Sunyani. This school was to be a school that did not just teach reading, writing and arithmetic, but a place that teaches love, and compassion and includes education for all aspects of life, emotions, the spiritual life and the physical life.

On September 28, 2004 that dream became a reality. With the overwhelming support of her husband, soul-mate and friend, Christy and Rev. Adu opened "Chris Academy" in Sunyani, Ghana, West Africa. This is a dream come true for the children of Sunyani.

The children touched my heart without a doubt as they welcomed me with pride to their school and as

they performed their program. The staff is outstanding in their dedication and love for the children and for the Director, Miss Christy. The school currently has three classrooms with 120 students and the office of the director. They are working on a second wing that will include more classrooms and a lunchroom for the children. Christy and Rev. Adu also have a dream of a third wing of three stories so that the school will include all grades.

A Virtuous Woman cont.

It amazes me that the dream of a little girl became a vision and that vision has become reality, through a lot of prayer, a lot of hard work and the blessings of God. Christy Adu-Kyeremeh has touched the lives of the people of Sunyani, Ghana, West Africa not only today but for the future to come, by touching the lives of the children...the future of her country. She is very modest in receiving recognition and without hesitation gives God the glory for all that He has accomplished through her life...and I might add a life totally committed to Him. It is amazing what God can do with one life totally committed to Him.

A Virtuous Woman.... "Who can find a virtuous woman? For her worth is far above rubies. Christy Adu-Kyeremeh is that woman. She

excels them all. For she is a woman who fears the Lord, she shall be praised for the glory of Her God.

The Academy still has many needs. They need to finish the second wing, a van for transporting the children to and from school, books, paper,

pencils, learning tools for the children. Christy knows that God has provided all that the academy has and believes that He will supply all their needs. If you wish to help in the education and lives of these

children please contact Christy Adu-Kyeremeh at this email address:

Crusade held at TOP—Temple of Praise with Reverend Adu-Kyeremeh in Sunyani, Ghana, West Africa

TO GOD BE THE GLORY! A crusade was held in Sunyani at the Temple of Praise with lives being touched by the Holy Spirit. Messages were shared nightly by Mama Marilyn and one evening Sister Karen Massaro-Mundt shared her testimony.

Rev. Adu-Kyeremeh and Sister Christy welcomed Mama Marilyn and Sister Karen into their home and they were hosted by the family

of Alex Gyabaah. The power of the Holy Spirit spoke through the Praise and Worship team and music director and the messages that were preached nightly.

Sister Karen Massro-Mundt shared her testimony one evening touching the lives of many and also sharing her talent of music through song.

Mama Marilyn shared from the Book of Esther that God is raising

up a generation in the land of Africa. God is calling his people of Africa to "Arise and shine for such a time as this". God will raise up the land of Africa. Africa will no longer be the tail but will be the head and God will be glorified in this land and it shall be a testimony to the world! TO GOD BE THE GLORY FOR THE GREAT THINGS HE HAS DONE!

Crusade, Leadership Institute and Vacation Bible School held in Sherwood Content, Trelawny, Jamaica, West Indies

A week of Vacation Bible School was held in Sherwood Content in August with Mama Marilyn working with the kindergarten children and Sister Evelyn again this year. The whole VBS was filled with the Holy Spirit and the lives of these children were touched for the glory of God forever!

Bishop Norman and Mrs. Johnson once again welcomed Mama Marilyn to the Sherwood Content Church of God for a Leadership Institute and three nights of Crusade. An out pouring of the Holy Spirit touched souls that were saved, lives were recommitted to service of our Lord Jesus Christ and healing took

place in the lives of many. One evening 35 young people came forward for prayer in commitment of their lives to follow Jesus Christ. Mama Marilyn was hosted by the family of her "God-daughter, Miss Missy, the family of Arthur and Norma Clare. TO GOD BE THE GLORY FOR THE GREAT THINGS HE HAS DONE.

GOD CALLING ...Continued from page 1—will know that God loves you and that He wants to give you abundant life, peace, joy, and purpose in the midst of chaos. Anything that feels like a source of life to us can become a distraction from God's call. If that thing is the source of our happiness, if we would doubt God's goodness if He asked us to let go of it, then it can close our ears to God's call. We cannot heed a new call if we are unwilling to accept the losses that come with change. We cannot heed God's call if we are in "competition with someone" or if "something is in competition" with our affection for God. Nor can we heed God's call if His voice is drowned out by the voices of people who seem more important to us than Him. When we can rest in the knowledge that God is completely good and sufficient for all our needs, then we don't need to fear whatever God will call us to do for His glory. Tune into Him with "dove's eyes". Doves have single vision; their eyes do not rotate in the sockets. They can see only one thing at a time. When we have single vision for Him, the distractions disappear, our focus is clear, and our purpose becomes visible and we serve Him with an undivided heart. Play to an Audience of One. A life lived listening to the decisive call of God is a life lived before one audience that is greater than all others—The Audience of God. Jesus Christ played to an Audience of One and so must we.

- Marilyn R. Beverley

Leadership Institute at Royal Life Chapel International in Accra, Ghana, West Africa with Pastor Solomon Richmond Klutse hosting the Institute.

In early summer a Leadership Institute was held at Royal Life Chapel International, Attico, Ghana, West Africa. Head Pastor, Solomon Richmond Klutse was the hosting pastor.

The workshops that were held were:

1. Me A Leader?!...Becoming The Best You can Be!
2. We Build People...Making Disciples!
3. It's Time To Speak up for Jesus!

There were approximately 30 leaders that attended this Institute and the church is planning to make a Leadership Institute an annual event. Many of those present are new leaders in the church and are

seeking the direction of God for His purpose in their lives and seeking ways that they can touch the lives they come into contact with everyday for the glory of God!

The church took a look at training new Christians to be disciples and in setting up a discipleship program realizing that the church is a light to the community. A light called to a dark world and that Christians need to be equipped to serve and that training is important and accountability are important.

The church hopes to instruct, include and invest it's members so that they will be accomplishing the "Great Commission" that was mandated to us by Jesus Christ our Lord and Savior. All learned the importance of learning from the

Living Word of God, prayer and communion with God for His direction, and fellowship with the body of Christ. Then we must be willing to go out into the world, into all nations teaching the commandments that Jesus Christ has given to us, baptizing and making disciples remembering that He has promised to be with us always.

Matthew 28:19,20

Jesus commanded us to go! It must be the exception if we stay!
